

A bride and groom are shown in a romantic embrace, standing in a doorway. The groom is on the left, wearing a black tuxedo, and the bride is on the right, wearing a white wedding dress and holding a bouquet of flowers. The doorway is framed by a lush arrangement of greenery and white flowers. The background is dark, suggesting an evening setting.

DELICIOUS AND INDULGENT

A FLAVOUR OF DEVON

Food and drink are something we delight in at Gara Rock. And our talented chefs are passionate about using the very best fresh, local produce. They'd love to curate an original wedding menu, just to your tastes.

YOUR VOWS

We're licensed for civil ceremonies. With many locations available for you to officially tie the knot, come and see us and we'll discuss what best suits you. Including our exquisite out of the ordinary suites (if you haven't seen them, you'll want to take a look as they really are something else).

TO NEW BEGINNINGS

A TOAST TO THE HAPPY COUPLE

For an idea of what we can do, here's just some of the options available. But it's best to come and have a look at our extraordinary venue. Together, we can explore all the possibilities and you can decide what will make your day the very best.

OUR RESTAURANT (80 – 120 guests)

The restaurant offers the perfect setting for your wedding breakfast. With idyllic views across the beach, it's a very special (some may say spectacular) venue in which to celebrate.

Seamlessly moving from day to night, let the celebrations continue with a live band or DJ. And get everyone dancing.

OUR TERRACE (maximum 180 guests)

If a relaxed and casual day is more your style, our terrace is the spot to welcome your guests. Enjoy canapés and champagne, while your photographer snaps away, capturing picture perfect moments.

Alternatively, we can offer al fresco style barbecues and banquets.

OUR LOUNGE

Just off the restaurant is our stylishly cosy lounge, which benefits from its own bar. Imagine sipping champagne, taking in panoramic views on chillier days.

We know you'll want to capture every moment of your happy day and at Gara Rock we have plenty of scene stealing views to act as an ideal backdrop to your photos. Endless blue seas stretching as far as the horizon. Not least our rugged green countryside surroundings, which provide the perfect contrast to your wedding photography. And let's not forget, the gorgeous beach sitting below the hotel for naturally stunning pics of you and your loved one.
