& NEW YEAR**

## **A SPARKLING FESTIVE SEASON**

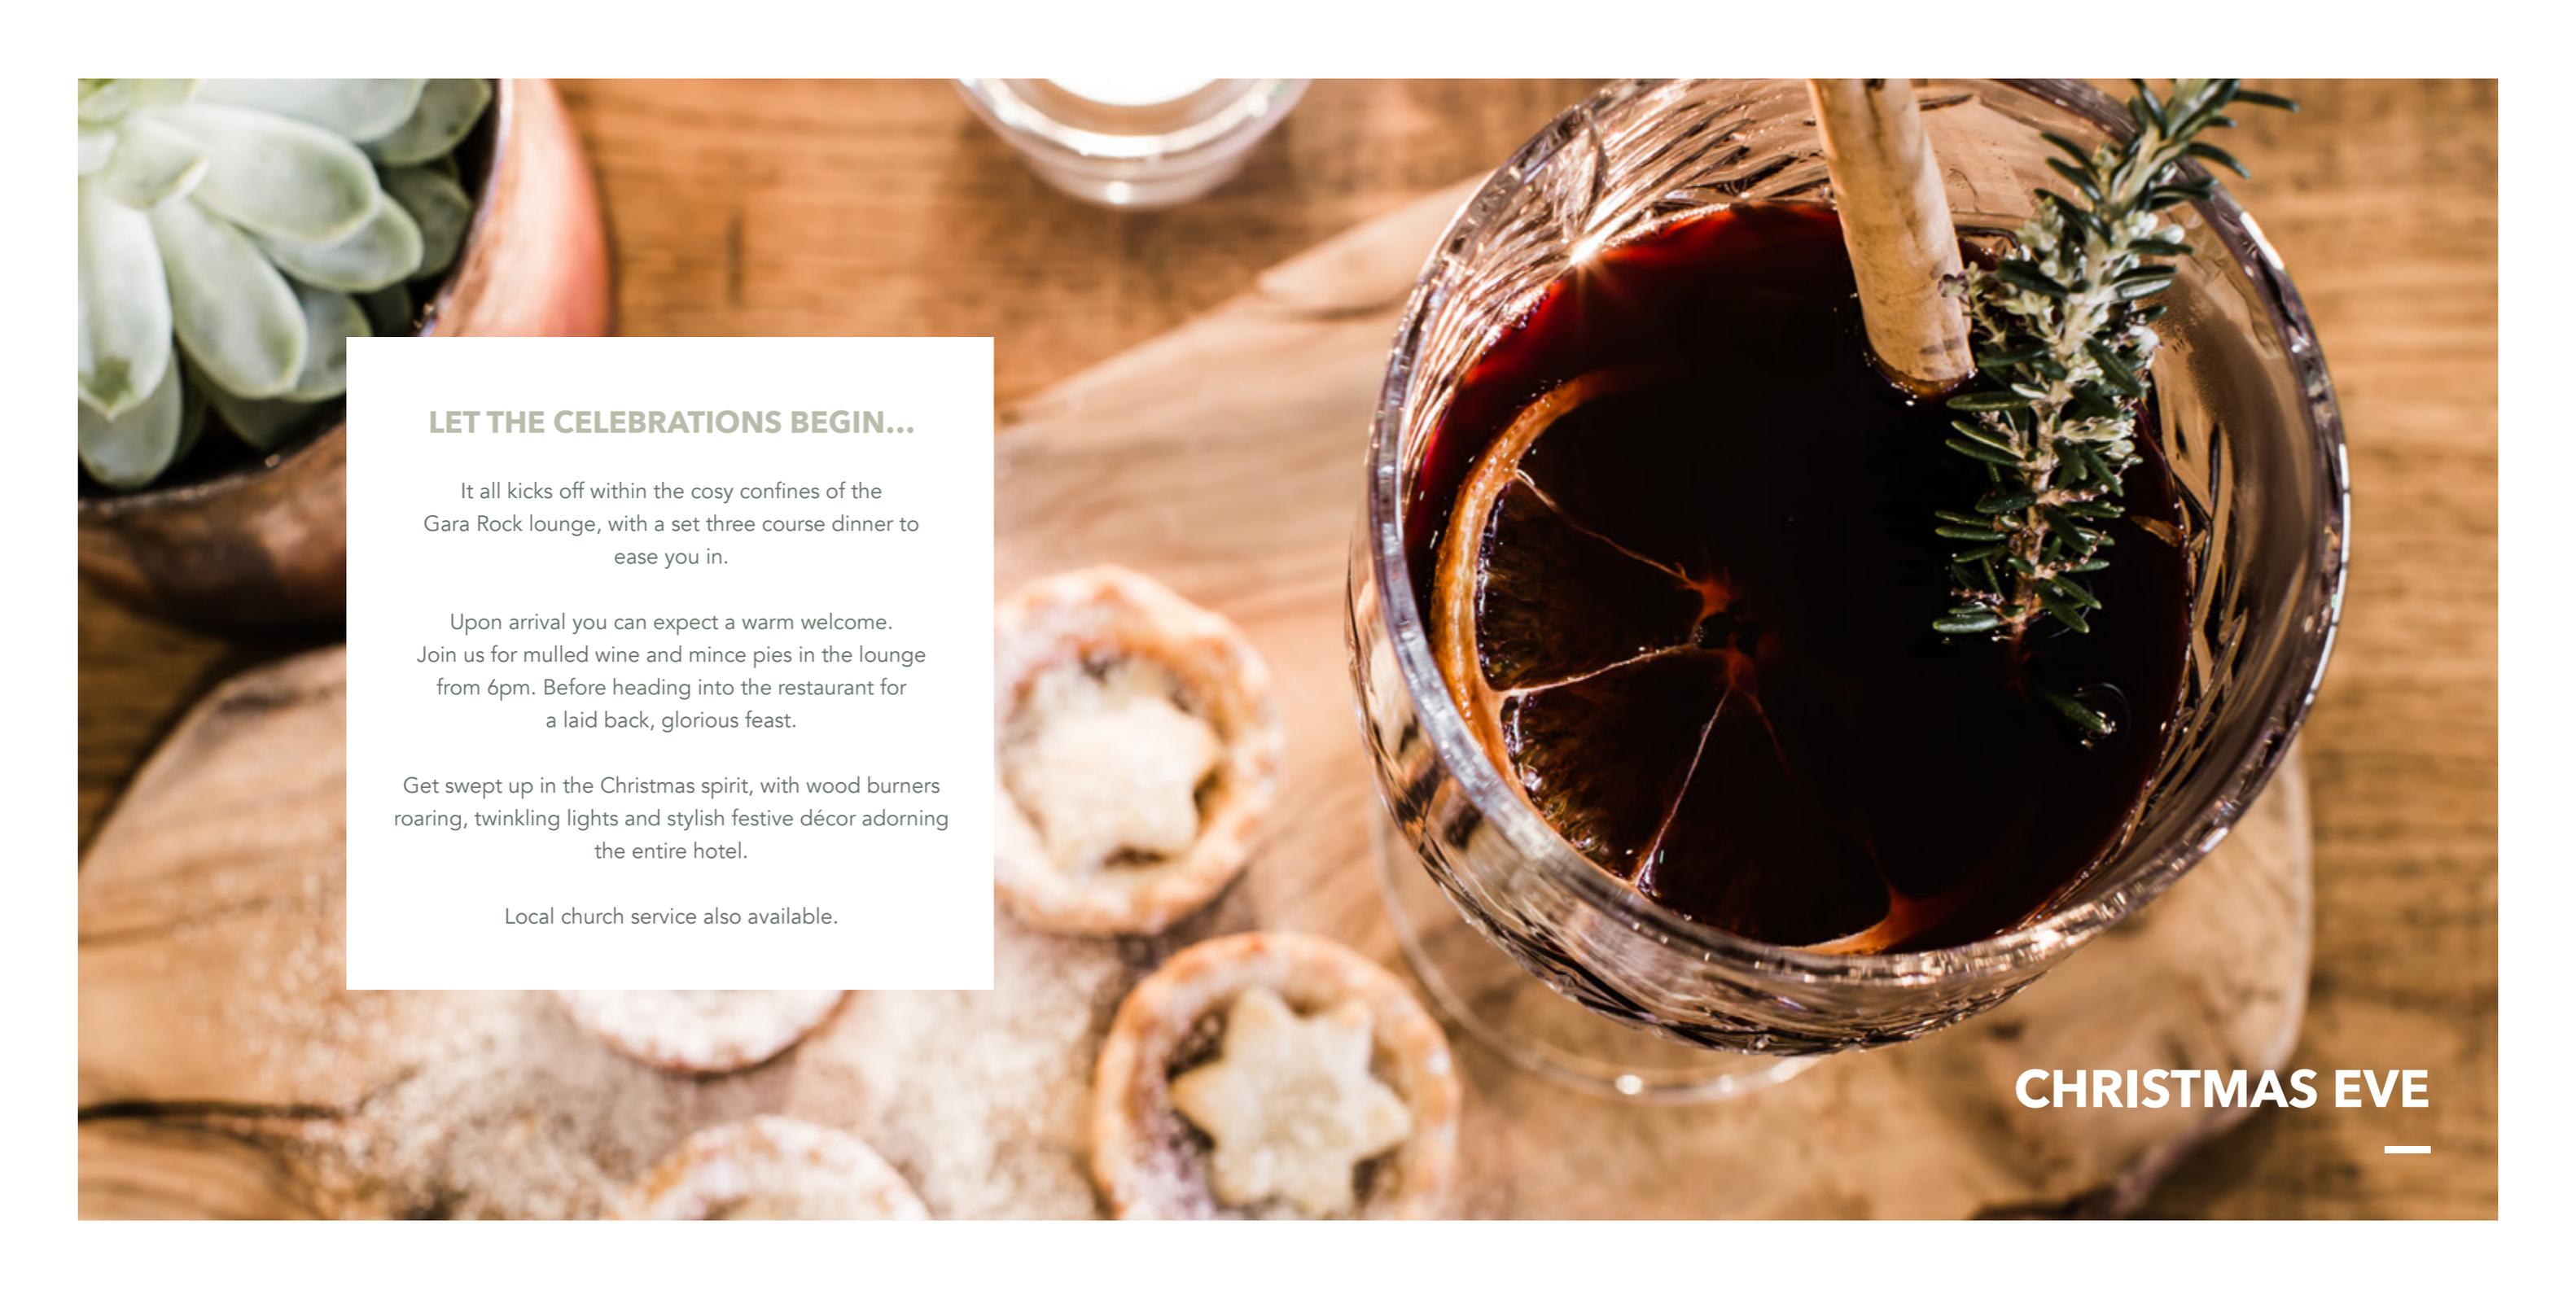

Exquisite food, great company, splendid location. Easy-going and down to earth, Gara Rock is THE place to bring together loved ones for the festive season. Families, couples, good friends and even dogs too, make it a sparkling Christmas to remember.

Perched on a cliff top, let our location add an extra sprinkle of magic to your Christmas with breathtaking views on crisp winter mornings to boxing day dips in the sea below.

Blow the cobwebs away walking the glorious coast. Snuggle up in front of the crackling wood burner with drinks and games. Settle down to watch a Christmas movie with your loved ones. Or maybe indulge in a little treat in the spa. It's all here waiting for you.

We don't do formalities, dress codes or awkward silences at Gara. In fact, there's really only one rule:

**Relax, make yourself at home & celebrate!**

A top-down view of a glass of mulled wine on a wooden table. The glass contains a dark red liquid, a slice of orange, a cinnamon stick, and a sprig of rosemary. In the background, there are several mince pies on a wooden board, a small glass of white liquid, and a succulent plant in a pot.

### LET THE CELEBRATIONS BEGIN...

It all kicks off within the cosy confines of the Gara Rock lounge, with a set three course dinner to ease you in.

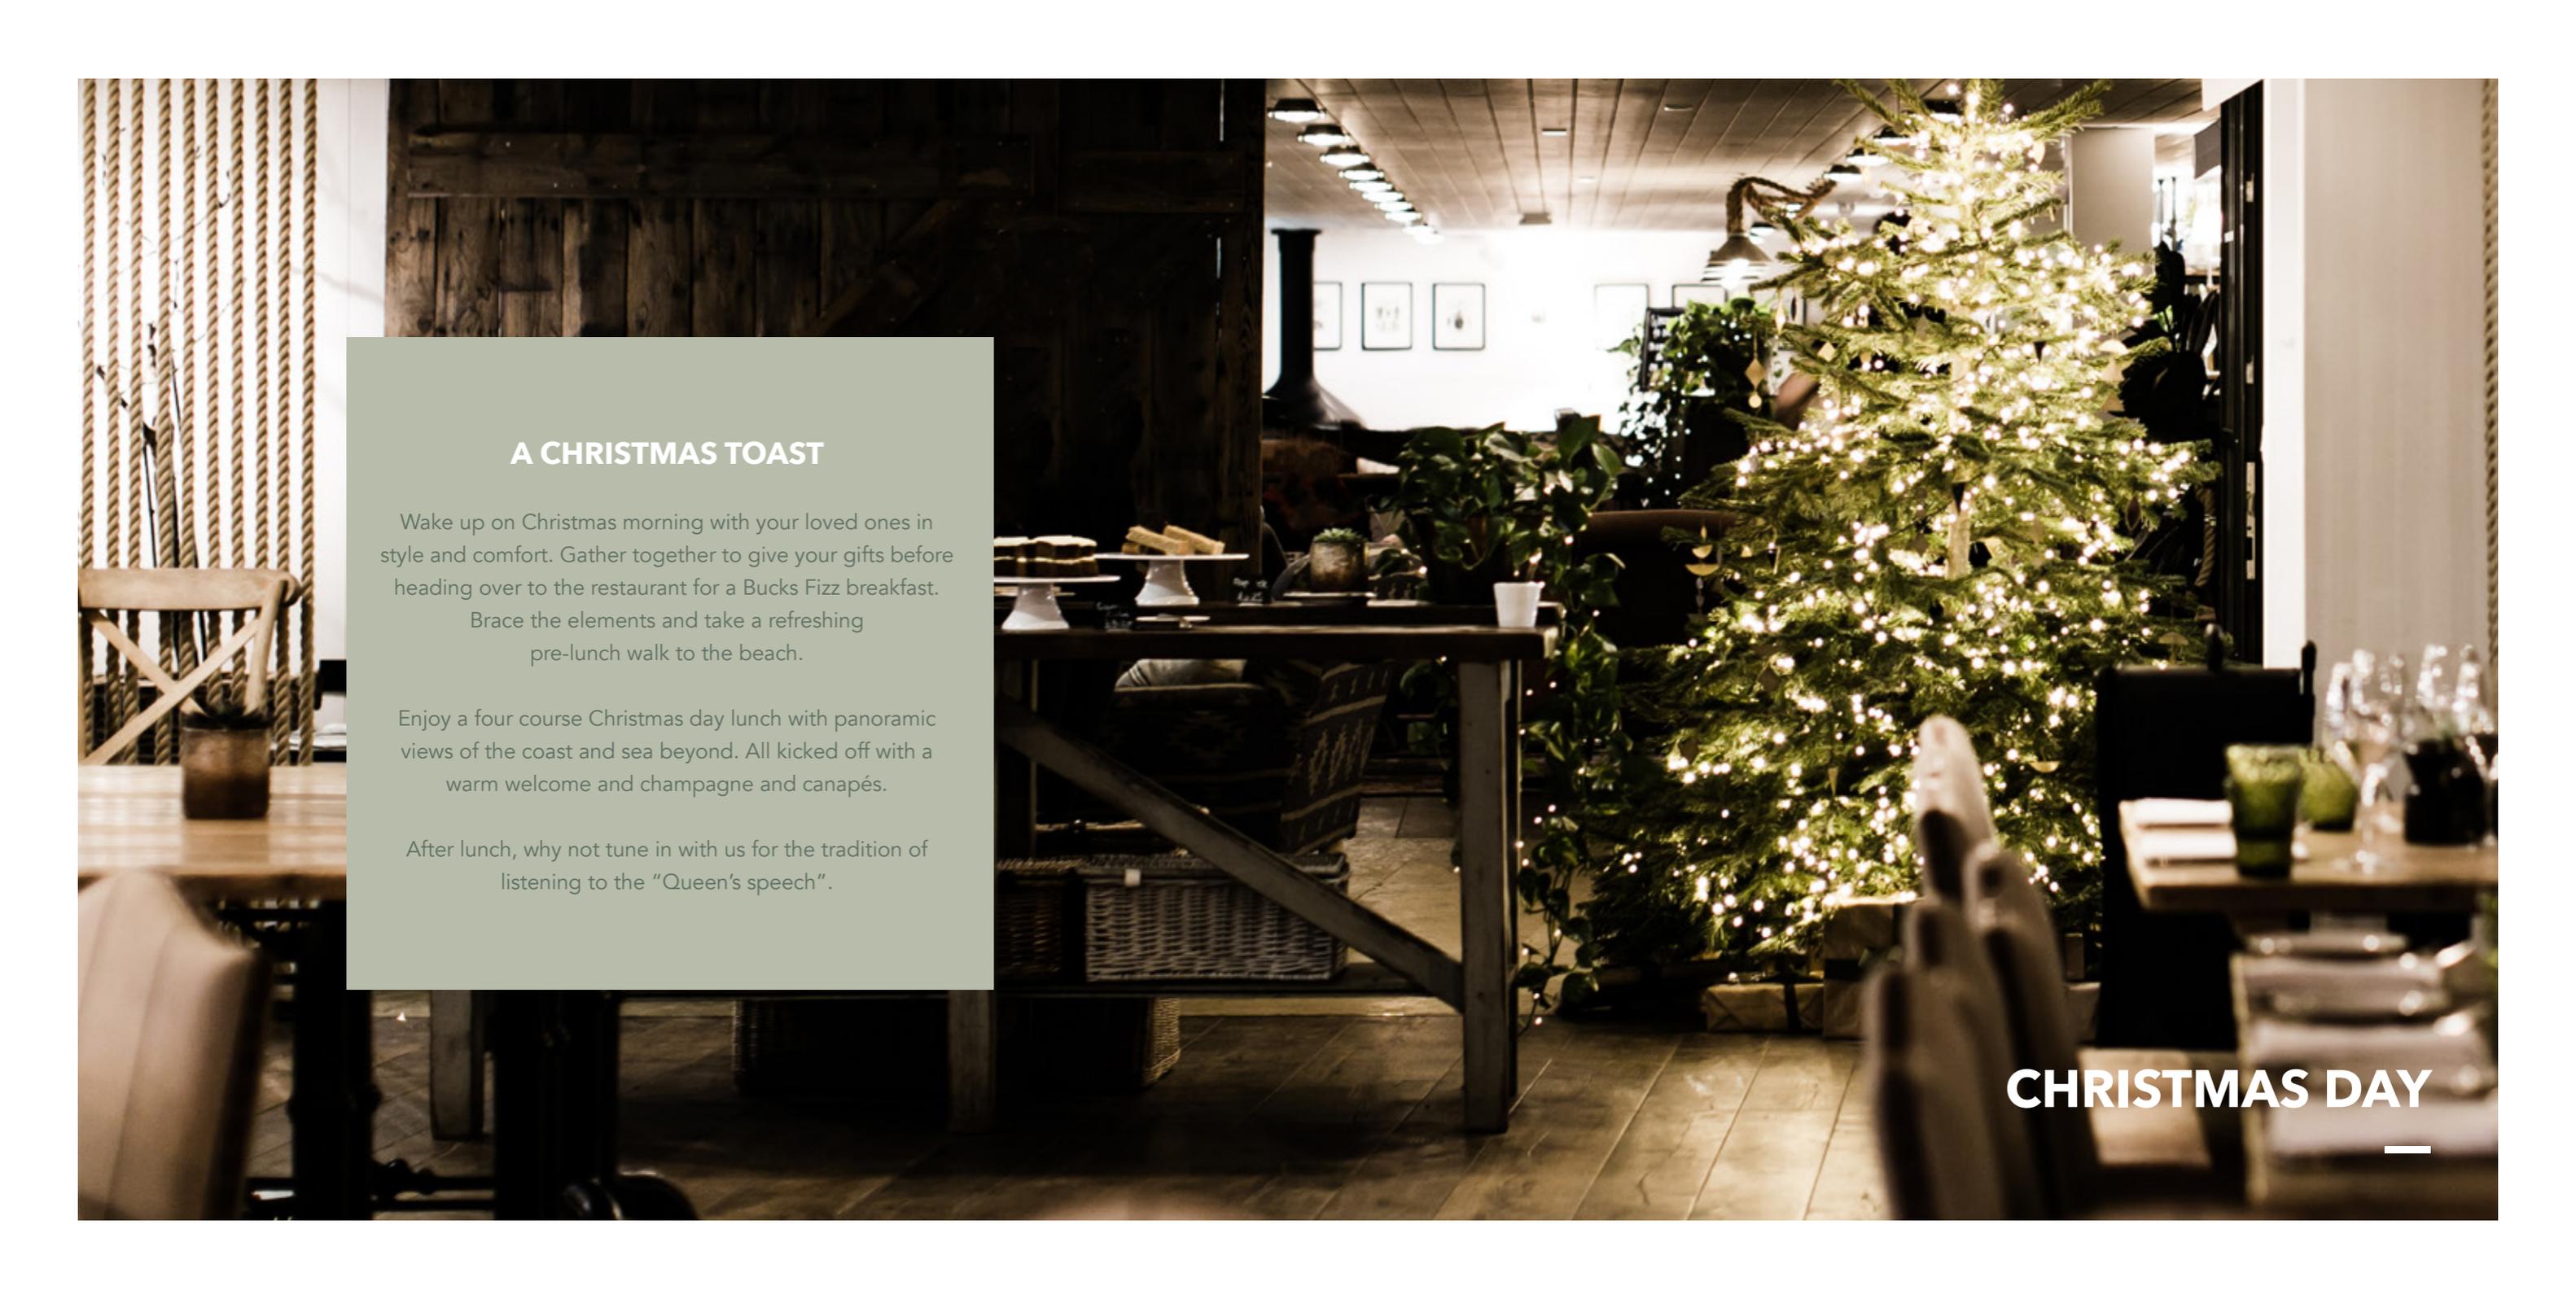

Upon arrival you can expect a warm welcome. Join us for mulled wine and mince pies in the lounge from 6pm. Before heading into the restaurant for a laid back, glorious feast.

Get swept up in the Christmas spirit, with wood burners roaring, twinkling lights and stylish festive décor adorning the entire hotel.

Local church service also available.
