

OUT OF THE ORDINARY

EXCLUSIVE USE WEDDINGS AT GARA ROCK

An aerial photograph showing the Gara Rock hotel, a long white building with a blue roof, situated on a cliff overlooking the sea. The hotel is surrounded by green fields and a winding road. The coastline is rugged with dark rocks and a sandy beach. Waves are breaking on the shore.

Perched on a secluded
clifftop across from
Salcombe, with out of this
world views of Devon's
coastline, we think
Gara Rock is something
special. And you will too,
once you see it.

We don't do ordinary here, so if
you're looking for somewhere with
that real wow-factor to make your
day extraordinary, Gara Rock is the
destination for you.

Tucked away, at the end of winding
rural lanes and with that far away
quality, guests will feel they've
stepped into another world as soon
as they arrive. Especially when they
see the stunning panoramic views.

From relaxed and intimate,
to traditional and formal, our
team will help you create the
day you've dreamed of, just
the way you want it.

A CELEBRATION TO REMEMBER

For an idea of what we can do, here's just some of the options available. But it's best to come and have a look at our extraordinary venue. Together, we can explore all the possibilities and you can decide what will make your day the very best:

Our Restaurant (50 – 120 guests)

The restaurant offers the perfect setting for your wedding breakfast. With idyllic views across the beach, it's a very special (some may say spectacular) venue in which to celebrate. Seamlessly moving from day to night, let the

celebrations continue with a live band or DJ and get everyone dancing.

Our Terrace (50 – 120 guests)

If a relaxed and casual day is more your style, our terrace is the spot to welcome your guests. Enjoy canapés and champagne, while your photographer snaps away, capturing picture perfect moments.

Our Lounge (50 – 80 guests)

Just off the restaurant is our stylishly cosy lounge, which benefits from its own bar. Imagine sipping champagne, taking in panoramic views.
